

ASSEMBLY BILL

No. 1317

Introduced by Assembly Member Block

February 27, 2009

An act to add Chapter 1.5 (commencing with Section 125325) to Part 5.5 of Division 106 of the Health and Safety Code, relating to public health.

LEGISLATIVE COUNSEL'S DIGEST

AB 1317, as introduced, Block. Assisted oocyte production: advertisement: information.

Existing law requires that an oocyte retrieval summary be provided to the donor of oocytes for research purposes. Existing law requires that a health care professional in the course of fertility treatment provide prescribed information to an embryo donor relating to donation of remaining embryos for research purposes.

This bill would require an advertisement seeking oocyte donation associated with the delivery of fertility treatment that includes assisted oocyte production, to contain a prescribed notice relating to the potential health risks associated with human egg donation.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Chapter 1.5 (commencing with Section 125325)
- 2 is added to Part 5.5 of Division 106 of the Health and Safety Code,
- 3 to read:

1 CHAPTER 1.5. OOCYTE RETRIEVAL FOR FERTILITY TREATMENT

2
3 125325. (a) An advertisement seeking oocyte donation
4 associated with the delivery of fertility treatment that includes
5 assisted oocyte production shall include the following notice:
6

7 “There are potential risks associated with human egg donation.
8 Long-term risks associated with human egg donation have not
9 been determined. Consultation with your reproductive care
10 specialist prior to entering into a donor contract is advised.”
11

12 (b) As used in this section, “assisted oocyte production” has the
13 same meaning as set forth in subdivision (a) of Section 125330.
